

# School Way App

Use the School Way app to keep you involved in what is going on at your school!

Now you can keep up with what's happening at our school anywhere, anytime right from your smart phone with School Way. School Way is a free mobile app that enables you to stay connected to your student's school and have school information sent directly to you, wherever and whenever you need it. Whether it's game day scores, updates on the school play, access to grade books, emergency notifications or even classroom reminders from your teachers—School Way makes all this information available from your smart phone. School Way is the best way to get connected, and stay connected to everything that's happening at McAlester Schools. Download it from your app store today.
